## Work Experience

---

**Graphic Designer** Full-time May 2008 - December 2011 Part-time January 2012 - December 2012  
The Ben Silver Corporation [www.bensilver.com](http://www.bensilver.com)

- Catalogs: layout and type for 7-10 catalogs per year, ranging from 52-128 pages
- Website design: created mock-ups of each page and coordinated with programmers who implemented inventory feeds and other functionality. I contributed the code for certain features such as alternate image mouseovers and our monogram simulator.
- Website maintenance: create, organize and update images, products, departments, info pages
- Advertising: design ads for magazines, newspapers, tourist guidebooks, postcards, company van wrap
- Emails: create and schedule promotional emails to our customers
- Social media: manage company page on Facebook
- Miscellaneous: clothing tags & labels, package stuffers with product info, store signage

**Retail** May 2006 - October 2007  
Target Store 1391, Citadel Mall

- Trained in Cashier, Sales Floor, and Operator positions, able to shift between roles as needed
- Promoted to Jewelry Specialist August 2007, additionally responsible for setting product and pricing

## Design Experience

---

**Webmaster** February 2008 - February 2011  
Charleston Hurricanes Women's Rugby Football Club [www.charlestonwomensrugby.org](http://www.charlestonwomensrugby.org)

- Responsible for the design & maintenance of the team website (since redesigned by new webmaster)
- Designed the logo and crest still utilized on the website, uniforms, letterhead & merchandise
- Created T-shirt designs for fundraisers and team wear

**Web Developer** Fall 2006  
Department of Art, University of South Carolina [www.cas.sc.edu/art/](http://www.cas.sc.edu/art/)

- Responsible for maintenance, updates, and additions to the Department of Art website

**Web Design Intern** Summer 2005  
The Children's Museum of Indianapolis [www.childrensmuseum.org](http://www.childrensmuseum.org)

- Assisted in the development and maintenance of the museum websites, produced interactive online activities, designed graphics for student worksheets
